GROUPS AND EVENTS

An occasion worth getting the table together for.

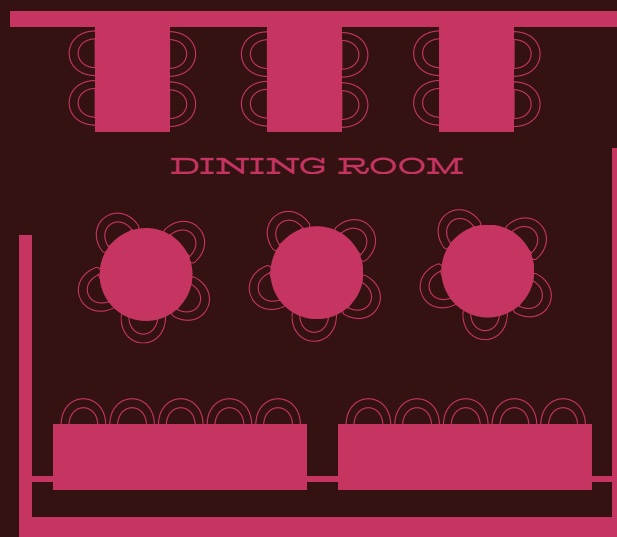

Think plates made for passing, bottles worth sharing and the
woodfire humming away in the background.

From long lunches and birthday dinners to end-of-year
celebrations and everything in between, our spaces are made for
gathering, sharing and celebrating together.

Bring your favourite people, pull up a chair and let the food and
wine do the talking.

Greek wines, generous plates and Athenian hospitality at the
heart of it all.

FOOD & DRINKS

Food made for sharing, wine made for lingering. Our seasonal menu is seafood-forward and cooked around the woodfire, with dishes served family-style to the table.

Groups dine on our \$79 per person Chef's Choice menu, with the option to add additional dishes for a fuller menu.

Our wine list leans heavily into Greece, from Santorini to Naoussa, with plenty of bottles from across the Mediterranean and Europe to explore. Whether you like your whites bright and mineral or your reds savoury and structured, we'll find something to keep the table going.

We can also cater for little ones with a custom kids' meal, available on request.
